

Harbourline Insurance - Policy Schedule (continued)

Part A - Insured Perils

Reviewers are asked to confirm that the values reproduced here match the records held by the originating department before the report is filed with the registry.

The retention schedule that applies to the supporting evidence is unchanged, and the material remains available to the auditors on written request for the duration of the term.

Nothing set out in this section is intended to vary the terms of the master agreement, all of which continue to apply to the parties in full.

This part continues on page **1** of **4**.

Harbourline Insurance - Policy Schedule (continued)

Part B - Exclusions and Conditions

The retention schedule that applies to the supporting evidence is unchanged, and the material remains available to the auditors on written request for the duration of the term.

Nothing set out in this section is intended to vary the terms of the master agreement, all of which continue to apply to the parties in full.

Questions about the content of this page should be directed to the document owner named on the cover sheet, who will route them to the responsible team.

Cover for goods held in a third-party warehouse is granted only where the warehouse operator holds a current certificate of insurance and the policyholder has notified the underwriter of the arrangement in writing.

This part continues on page **2 of 4**.

Harbourline Insurance - Policy Schedule (continued)

Part C - Claims Notification

Nothing set out in this section is intended to vary the terms of the master agreement, all of which continue to apply to the parties in full.

Questions about the content of this page should be directed to the document owner named on the cover sheet, who will route them to the responsible team.

The figures quoted in this section were reconciled against the operational ledger at the close of the reporting period, and none of them carry an outstanding exception.

This part continues on page **3** of **4**.

Harbourline Insurance - Policy Schedule (continued)

Part D - Endorsements

Questions about the content of this page should be directed to the document owner named on the cover sheet, who will route them to the responsible team.

The figures quoted in this section were reconciled against the operational ledger at the close of the reporting period, and none of them carry an outstanding exception.

Where a measurement fell outside of the agreed tolerance band, the deviation is listed together with the corrective action taken to close it and the date on which it was signed off.
